25 November 1958

MEMORANDUM FOR THE RECORD

SUBJECT: Notes from State-JCS Meeting at 11:30 Hours on 21 November 1958

PRESENT:

General Twining; General Lemnitzer; General LeMay; General Pate; Admiral Russell; Mr. Murphy, with a State Department delegation totalling ten; Mr. Irwin and Lieutenant General Byers from ISA: Lieutenant General Cabell and Mr. Bissell from CIA, and representatives from NSC.

- Berlin situation presented by Mr. Murphy with Mr. Jerry Smith and Mr. Foy Kohler.
- Mr. Murphy indicated that the State Department is concerned about the attitude of both East and West Berlin. Until the USSR position with reference to this new situation is disclosed we may not be sure of what they are attempting to accomplish. He stated that he was not as excited about the situation as are many. This is a question of means, tactics and methods. State Department is not thinking of an air lift. There has been no blockade of the civilian population. Apparently this is a The action is harassing but not to the extent of 1948. While we do not need to resort to the air lift initially, at some point in the future we might have to consider resorting to the air lift.
  - General I wining cautioned that I
  - Mr. Murphy asked what would be our position if RECEIVED

He continued that the State Departmen set up as Ad Hoc Group, which included JCS and ISA representatives. In Group would consider this subject at 1300 hours Friday afternoon.	t had e
J. General Lemnitzer remarked that the last sentence of the JCS draft might be inadequate but that it was in the right direction.	

- K, Mr. Irwin expressed a strong view that Secretary McElroy feels the gains we have achieved from our action in Lebanon, Matsu and Quemoy must not be lost by weakness in Berlin. He asked what support the U. S. could expect from our U. K. and French Allies. Further, he asked what pressures we were prepared to place on these allies.
- L. Mr. Murphy explained that the USSR wants to retrieve something. He expects USSR action. The Ad Hac Group would present a recommended U. S. position to the President for approval. After

Presidential approval it is expected that the proposed position would be discussed in sonn or in washington with the U. K. and the French.

- M. General Lemnitzer explained that until he had heard the remarks just made by Mr. Murphy he had thought the blockade might be equally applicable to civilian travel.
- N. Mr. Murphy acknowledged that civilian traffic might be stopped but he felt this would be inconsistent with what he considered to be the soviet aim. He is of the opinion that they are trying
- He said this was always possible but that he doubted the Soviets would relinquish control. He asked if the members of the JCS were agreeable to permitting the Ad Hoc Group to resolve this difficult question. The JCS agreed.
- II. U. S. Base Rights in Morocco were discussed by Mr. Murphy, assisted by Mr. Jerry Smith and Mr. Penfield.
- $\delta_{\star}$  . General Lemmitzer mentioned that this matter was a speculation that we might lose the U. S. bases.
- 5. Mr. Murphy commented that it was difficult to contemplate, after the money and resources we had invested in these bases, that we should now be faced with an unfriendly situation brought on by one or two individuals.
- C. General I wining remarked that the threat was great and that the \_\_\_\_\_ were very worried. If the United States intends to keep a foothold in Africa we must keep these bases, ife continued that many individuals think the bases \_\_\_\_\_ Tremove the requirement for bases in Morocco, This is not entirely true. We might give up Boulhout but no other.
- General LeMay agreed that Boulhout has been built as a fighter base and that changes in the employment of fighters removed

the urgent requirement for this base. He added that the question had to do with more than bases in Morocco and for a period in excess of seven years. Should the Moroccan bases be given up questions might soon be anticipated from Jand others.

a large	D. build-up	General I wining added that the Spanish have indicated of the Soviet Embassy in Morocco.
	E.	General LeMay mentioned that this agitation might be

- to secure the evacuation of the The United States must avoid However, a show of determination and a little more help might do the trick so far as Morocco is concerned.
- Admiral Russell announced that \$463 million had been invested in Morocco. He added that this investment was aiding the American economy.
- Mr. Murphy added that \$40 million per year is now going into the program. He asked if Lyautey was important,
- Admiral Russell emphasized that Lyautey was very important as Ind the base for the logistic support for the Mediterranean.
  - Mr. Murphy asked if its
- General Twining asked if Mr. Murphy had been able to talk with Ambassador Lodge about this matter to which Mr. Murphy replied in the affirmative.
- Mr. Murphy returned to the subject of the amount of aid that was contemplated. He said \$45 million and an additional \$10 million had been mentioned. He said that our Ambassador favors additional money.
- General Lemnitzer asked if this pressure on the Moroccans to cause the U. S. to leave was coming from the Soviet Government.

#### TOP SECRET

- Mr. Murphy admitted that the Istiglal Party may be pressured by the Poviet. Mso there are violent broadcasts from Cairo.
- J. General Lemnitzer stated that this was a part of a world wide effort by the Soviet to cause the U. S. trouble. It was being applied in Japan as well as here.
- l. Mr. Murphy asked how we approached the Soviet Government on this world wide question,
- 2. Mr. Penfield stated that there were pressures within the Moroccan Government, that the King's speech had been significant because it was that of a friend demonstrating moderating influence. Nevertheless, the King is committed to ultimate evacuation. Granted that the Soviet is pressing the Moroccans, how can we meet this?
- K. Mr. Murphy opined that we may expect more formal requests for evacuation sooner or later. The State Department people feel we should not talk tough. He asked if consideration of Status of Forces was pertinent to today's discussion.
- L. Mr. Irwin interjected that the Status of Forces, while important, was overshadowed at this time by the basic problem of being able to remain in Morocco. He asked for information with respect to the status of the \$45 million aid.
- 1. A State Department representative commented that the Ambassador is authorized to offer \$40 million.
- $\mathbf{2}, \quad \text{Mr.}$  Irwin said that this authority had been given without DOD concurrence.
- 3. The State Department member corrected himself to the effect that the money had not yet been offered,
- 4. Mr. Murphy promised that a hard look would be taken at this question immediately. He asked if this subject could be reopened next week. All agreed.

radio silence. He was told there had been no such need.

it. Hr. Murphy mentioned that Ar. Solder and raised the question of buzzing toviet traviers.

- 1. Admiral Aussell explained that the Aussians were maintaining a dozen trawlers in scerile fishing waters. The question was wnether or not these trawlers actually were suchnaring tenders or were they there for intelligence with respect to snipping.
- $I_{\star}$  Mr. Murphy asked if retaliation against the submarines reported off Canaveral would help bring the Russians to time.
- ...dmiral stasself remonstrated that he United States and always maintained the position that freedom of the seas must be assured all peaceful users.
- J. Mr. hiurphy expressed concern of the State Department about such interceptions and wondered if it was a part of a big program,
- $K_{\star}$  General Twining and General LeMay assured all that the Air Force is not concerned at the present time.
